Treatment Incurral Period:		90 days

FREQUENTLY ASKED QUESTIONS

Is our league covered under Cal South's Workers Compensation? Can we evidence Cal South's workers compensation on a certificate of liability?

No.

Our league wants to host a "Casino Night" fundraiser and serve liquor. Are we covered under Cal South's General Liability?

Liquor Liability is not covered under Cal South's General Liability and a separate policy must be obtained for the event. To procure separate coverage for these specific needs, contact:

Insureon:

Phone: 1-844-387-3240

Web: <http://willis.insureon.com>

Email: willisatlanta@insureon.com

If our league has an office and/or an owned auto, will the Cal South general liability or auto liability program cover me for my premises operations?

No. The scope of coverage for the Cal South general liability policy relates specifically to Cal South sanctioned team field events and related team activities. Offices, office contents, soccer equipment and owned or rented autos are not covered. The scope of our policy is inclusive of soccer field sanctioned activities only. To procure separate coverage for these specific needs, contact **Insureon** with one of the methods listed above.

What is the process for filing an SAI claim?

The process begins by completing the "Soccer Accident Claim Form." That form can be accessed through the CalSouth.com website under Accident Insurance **by clicking on this link**. Follow the instructions for submitting the claim found by clicking on this link. *We recommend you complete all forms in entirety and keep a copy of the paperwork you send to the TPA for claim filing. This will help expedite your claim.*

Is there a time limitation to filing an SAI insurance claim?

Yes - the first incurred treatment expense must be within 90 days of the injury and notice to the insurance carrier must be within 30 days of the first incurred treatment expense. Excess benefits are eligible for reimbursement after the \$1,000 deductible and 20% coinsurance is satisfied, as applicable, and excess of any amounts paid by another Health Care Plan. Copays will count toward the deductible.

The SAI policy is considered "excess". What if I have no primary health insurance?

If you have no valid and collectible health insurance, our coverage will become primary, and the \$1,000 deductible and 20% Coinsurance will apply. The policy pays for treatment based on usual, reasonable and customary charges for a given treatment in the city or area where treatment is provided once you have satisfied the applicable deductible and coinsurance.

Why do we need to obtain our general liability certificates of insurance over the internet?

This is a tremendous Member Benefit provided by Cal South to our Member Leagues as part of our insurance program. It places control in the hands of our Member Leagues, who can now issue Field Liability certificates at the push of a button. Membership increasingly has its privileges, and this happens to be one. You can access the eCertsOnline log-on page on the CalSouth.com page called Liability Insurance **by clicking on this link**. On the Cal South website there is ECerts User Manual for quick reference and guidance **by clicking on this link**.

Will my league be charged for each certificate?

Yes, for each seasonal year, each certificate will cost \$35 and will be incorporated into the monthly league bill. You are not charged for creating multiple copies of the same certificate.

What if I can't figure out how to use the online insurance certificate tool?

First, go to **calsouth.com**. Under the resources "drop down", select "insurance" and then "liability". View the online tutorial. On the Cal South website there is also an ECerts User Manual for quick reference and guidance **by clicking on this link**. For further assistance, contact the Cal South Staff Specialist* listed at the bottom of this page.

What can I do if the entity requesting the certificate of insurance requires additional wording that will not fit in the address section?

If an entity requires additional wording that will not fit on the 2018-2019 League Liability certificate template, please contact the Cal South Staff Specialist* listed at the bottom of this page.

What if the entity requesting the certificate of insurance will not accept the new standard form produced via the online system?

Please contact the Cal South Staff Specialist* listed at the bottom of this page.
